where people can find information about politics, economics and others. Secondly, the internet helps to communicate with our friends and relatives.

However, I disagree with this opinion because, at first, people are get used to search necessary information in the internet, they don't try to find it by themselves. Secondly, with help of MMC people lost their own point of view.

~~The~~ Internet is the biggest evil in our world because it has bad influence for people, their mind and point of view.

Writing.

The internet is the biggest evil of our time. People nowadays can't imagine their life without the internet. Some people think that it is the biggest evil of our time. The others do not agree. Who is right?

To my mind, the internet is not really "good" people's invention. Firstly, there are many chats, web-sites in the internet, people live in a world. Most of people are ready to spend hours in front of the computer. There are too much useless and dangerous websites.

Other people say that the internet is a great help for us. It is also a large source of information, which makes our lives much easier. It one is source of MMC community,
